14% FALLING TO 11% IN 2020

# The family quotient; the number of tax shares

**Net taxable income**

**Number of tax units**

**The family quotient**

Composition of the household	Number of tax units
Single	1
Married or civil union couple	2
Couple with 1 child	2,5
Couple with 2 children	3
Couple with 3 children	4
Couple with 4 children	5
For each additional child	+1

The income tax rate scale is then applied directly to this family quotient.

# Esscaland Income tax policy

- Prevent tax avoidance in ESCCALAND by putting advantageous taxes for the big fortunes compared to the other European countries.
- Control the non-payment of income tax with tax inspectors who can impose fines and prison sentences.
- Propose an income tax reduction of 50% for each euro spent in donation to a charity organization.
