I - What is ERASMIUS ?

**Erasmus is an exchange program for students and teachers
across partner universities throughout Europe**

Since 2014

Possibilities offered by Erasmus :

- study in an european country
- discover new cultures
- gain professional experience

II- Change of ERASMUS because of Brexit

BREXIT and its impacts

Leaving ERASMUS program

Creating their own program : TURING

Weakening of the erasmus program

III – Futur of ERASMIUS

Futur of ERASMUS

New challenges for the ERASMUS program

- Promote Erasmus+ as close as possible to potential beneficiaries;
- Make mobility a recognized step in all career paths;
- Bring together favorable conditions to encourage learners to leave;
- Remove financial obstacles for mobility accessible to all;
- Accompany the learner from the beginning to the end of his mobility project.

Grant from the EU : 28 Billions

Futur of ERASMUS

My point of view

- **Accessible for everyone regardless their social origin**
- **Promotion the expansion of ERASMUS**
- **Multiply ERASMUS courses, not just commercial courses**

Actions

- **Increase the ERASMUS scholarship**
- **Student awareness campaigns in partner schools**
- **Increase the number of prestigious partner schools**

IV – Conclusion

thank you for your listening
