

Third world damage due to EU export subsidies.

Thibaut Rouault de la Vigne

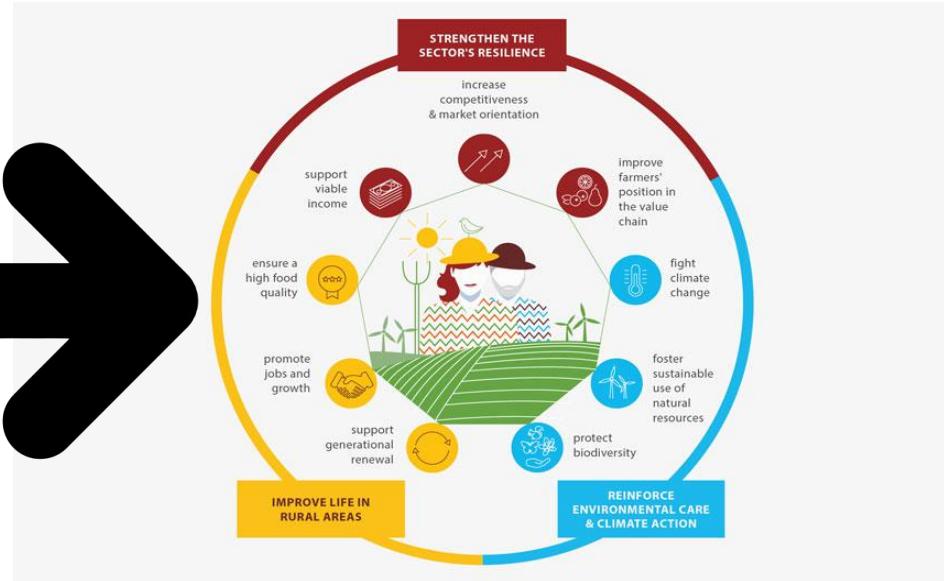

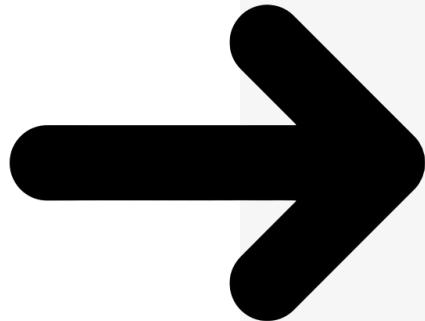

CAP strategic plans

horizontal regulation

common organization of
agricultural markets

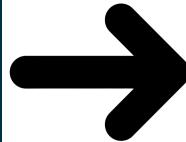

The Common Organization of agricultural markets

WORLD TRADE
ORGANIZATION

The previous Subsidy Export System

This policy cost around €10 billion per year

The damage that export subsidies were doing to third world countries

An example: Sugar and Mozambique in 2001

Cap is still subsidizing EU exports with “direct payments”

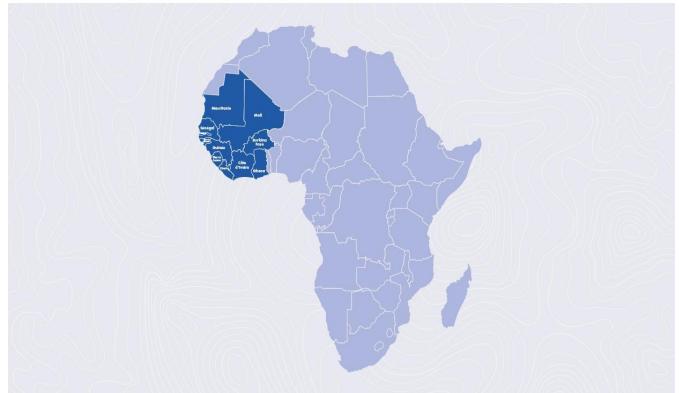

Third Countries Product

Less competitive than

E.U Products

EU products account for about 50% of imports in West Africa
