# EVALUATION

## ORAL EXAM

- 40 % final grade
- When: last course
- How long: 20 mins / group
- What: you become an author studied in class
- Grading :
  - All the professors grade your performance (50 %)
  - Peer evaluation (members of your group grade your performance (50 %))

## FINAL EXAM

- 60 % final grade
- When: final exam session
- How long: 3 hours
- What: everything
- Grading : Professors.

# PEER EVAL. EXAMPLE

Your group is composed of **3** members

After your presentation, you get the grade of **15**

Multiply number of people in the group by grade =  $3 * 15 = 45$

You have 45 points to distribute in your group (ex: 10 to student 1, 10 to student 2, and 25 to student 3)

# ORAL PRESENTATION

---

Grade by Professors made **according to the criteria you can find on e-campus**

In order to determine how much points you can distribute to the members of your group, use the **Excel file also available on ecampus.**

---

**IN CASE YOU DO NOT FULFILL  
PEER EVALUATION ON TIME :**

**GRADE OF PEER EVALUATION IS 0**
