Conclusion

Summary of Hong Kong History

- Located in Southern China
- Special Administrative Regions (SAR)
- 1842 = Hong Kong became British following the First Opium War
- London and Beijing negotiated the return of the colony to China
- Beijing undertakes to respect temporarily the capitalist economic system that reigns there
 - Principle "one country, two systems"
- 1 July 1997 = Hong Kong was transferred to China under these terms valid until 2047

What Happened in 2019 ?

01

How all of this started ?

The extradition law is introduced to Hong Kong citizens in March 2019

02

The consequences

The protestations were even stronger. On June 9th more than 1 million of people were protesting for their right

03

How China respond to these protestations

On June 30th
China impose a National Security Law on Hong Kong

What is happening now?

- Small gatherings
- Mass arrests
- No right of expression
