EU. Importing and Exporting

Importing into the EU

1. Click on 'EU Trade Helpdesk'
2. Choose a country to export from into the EU
(If the country isn't on the list, click on EU Tariffs and follow the same procedure)
3. Choose an EU member state
4. Click on 'Find my product code'
5. Choose a specific product
6. Continue until you can click on a product code
7. Click on 'View rates and requirements'
8. Check the import tariff, quota, conditions or regulations
9. Repeat with another product

Exporting from the EU

1. Click on 'Export from the EU'
2. Choose a country to export to
3. Click on 'Find my product code'
4. Click on 'Search'
5. Check the import tariff, quota, conditions or regulations
6. Repeat with another country or product
7. Click on 'EU Trade Useful Links' to see the databases available
